

## **Children's Safety Village of Central Florida, Inc. Scholarship Program for School Field Trips**

### **Guidelines**

School field trip scholarships have been made possible by the Florida Safety Council. They are intended to support school field trips to the Children's Safety Village of Central Florida.

Scholarships are awarded based on the following criteria:

1. Scholarships are available for schools that have limited financial support or access to PTA/PTO funds or that are considered Title 1 by their school district or that have a significant percent of students on free or reduced lunch.
2. Scholarships are only available for school fieldtrips to Children's Safety Village.
3. Scholarship requests are limited to maximum of 25 students per grade level, per school.
4. Scholarships can only be used to cover student fees. The scholarship award may not be used to cover teacher/chaperone fees, transportation cost, or food.
5. Award notification to a school is typically mailed within 3 weeks of receipt of application. The school must have already reserved their field trip date.

### **Application Directions**

To apply for scholarships teachers must download the scholarship application form from our website at [www.childrenssafetyvillagefl.org](http://www.childrenssafetyvillagefl.org) Return the completed form by mail or fax to CSV:
